

## *Welcome to North Seattle Community College*

### **CAMPUS TRAFFIC AND PARKING REGULATIONS**

**PARKING PERMITS ARE REQUIRED TO PARK ON THE CAMPUS.** Parking permits may be purchased at the Cashier's Office on the ground floor of the College Center Building, along the north wall of the cafeteria. To be valid, all permits must be correctly displayed: permit number and dates clearly visible, facing out from the rearview mirror or dash.

**Visitor lots** are reserved for prospective students and guests of the college. Visitors must purchase a current parking permit from the pay meter located at the booth in the lot where they parked. Permits must be displayed clearly, face-up on dashboards. Parking is limited to 2 hours in Visitor Lots. Current students and SCCD employees must park in designated student and employee lots only. Current SCCD permits from Seattle Central, South Seattle and SVI are valid in the general lots at NSCC.

**All-day Parking Permits** cost \$2 and are available at the parking meters for immediate use, or purchased at the Cashier's Office for use at a later time. All-day permits purchased at the cashier's may be returned for a full refund if un-used in a reasonable amount of time. All-day parking permits are not valid in the Visitor Lots, the garage and in the West (Carpool) Lot before 9:00 am.

**The parking garage** requires an annual permit, annual reserved or a garage carpool permit between 6 am – 5 pm, Monday through Friday. Weekdays after 5 pm, students may park in the garage with their current quarterly permit correctly displayed. The garage closes Monday through Thursday at 10:30 pm and at 6:00 pm on Fridays. The garage is closed all weekend.

**STUDENTS, FACULTY AND STAFF:** Hang parking permits from rear view mirror facing outward, or placed—visibly—face up on dash. If needed, secure permits on dash with tape or other adhesive to prevent misplacement. Permit number and current dates must be clearly visible. Vehicles should be locked to prevent theft and vandalism.

#### **STUDENTS, FACULTY AND STAFF WITH DISABLED PLACARDS/**

**LICENSE PLATES:** NSCC parking permits in addition to the handicapped permit are required. Students displaying BOTH a disabled placard and a current NSCC parking permit are allowed to park in these areas at these times: 1) anywhere in the Carpool (West) Lot at any time, if other disabled spaces are full; 2) in the garage at any time, but only in disabled or carpool spaces; 3) disabled spaces in the East lots located in front of the Wellness Center and the Peter Ku Education Building (formerly the High Tech Bldg.), and also in front of the Childcare Center in the North Lot. **REMEMBER: BOTH PERMITS MUST BE CLEARLY DISPLAYED.**

**MOTORCYCLES AND MOPEDS:** Do not require a permit, but must be parked in designated areas of the parking garage (southwest section of the College Center Building).

Seattle Traffic code and 15 mph speed limit apply everywhere on campus. **NOTE:** Violators of these regulations and those of the City of Seattle are subject to citations and impound.

CARPOOLERS registered with the Commute Trip Reduction (CTR) Program will be given a reduced quarterly parking rate and must park in the designated open carpool areas of the garage. Carpool registration is on a quarterly basis only; a new application must be filled out during the first 2 weeks of each quarter, however, for Fall quarter, interested employees may apply now. Each registered participant may receive \$35 in CTR Vouchers during the last 2 weeks of the quarter. For details and to apply, please see the Transportation Coordinator.

ALL EMPLOYEES please note:

- All-day parking for \$2 can be purchased at the south parking lot meter for immediate use in any campus parking lot other than the Visitor's Lot or the garage.
- All-day parking for \$2 can also be purchased ahead of time at the Cashier's Office; these permits can be returned for full refund if unused within a reasonable timeframe.
- Individual guest permits may be requested for one-time use by the departments. For this and events hosting 20 or more, please contact Jeff Caldwell by email - well in advance - to request parking arrangements.
- Restricted use of the West (Carpool) Lot from 7:00 a.m. - 9:00 a.m. is for Registered CTR carpoolers only.
- Parking in any handicap stall without the authorized permits will result in a minimum \$25 fine.
